

NAME:

Influencers:

Step 1: Consider the FIVE people you trust most & spend the most time with, write their name or initials in the first column

Step 2: Fill in as many aspects of their social identity as you know (leave others blank)

First Name or Initials	Gender	Race	Age	Sexual Orientation	Highest Level of Education	(Dis)Abled	Citizenship	Other?
<i>Example: Bernie or BS</i>	<i>M</i>	<i>White</i>	<i>76</i>	<i>Heterosexual</i>	<i>College</i>	<i>Able Bodied & Neurotypical</i>	<i>US Citizen by birth</i>	<i>Politician</i>

Step 3: Look for patterns on your table - are there any areas where your five people have everything in common (example: all female)

What patterns did you find?	
What impact would this have on your understanding around empathy building?	

Author Influencers:

Step 1: Consider the books that you have read so far this year

Step 2: Fill in as many aspects of the social identities of the authors & main characters that you know, or can learn

Book Title:	Author's Name:	Gender:	Age:	Race:	Main Character's Name:	Gender:	Age:	Race:	Other?

Step 3: Look for patterns on your table - are there any areas where your authors and/or characters have everything in common (example: all female)

What patterns did you find?	
What impact would this have on your understanding around empathy building?
