

Unique Saunders is passionate about providing youth access to quality education and support services. Her mission is to connect young people to resources and experiences to help them thrive into capable and confident leaders. Professionally, she has served as a school administrator in independent schools across the country. She is also a facilitator and technical assistance provider for youth-serving organizations and schools. As a facilitator, Unique enjoys collaborating with attendees on cultivating more equitable, youth-centric spaces where young people feel seen, heard, and valued. Personally, she has volunteered as a mentor for the last fifteen years and is always looking for ways to connect with young people along their journey.
